PUBLIC NOTICE

RE: COVID-19

Financial Impact on Community and Agriculture Industry

Given the negative impact effect of COVID-19 directly or indirectly on our communities and/or our industry we have decided to not apply any interest charges on past due accounts. We implemented the relief initially for the month of March and have extended until the end of April. We understand that many farm businesses are facing very difficult times from different segments of the industry.

In times like this we can all work together to ensure our community stays strong. Our staff are committed to serving you our clients to help ensure we have the best spring possible given the circumstances. We appreciate your business.

If you have any questions, feel free to contact us for more information (705) 357-3491.

Sincerely,

S. Jake Vancuren, EMBA
