Serving Your Growing Needs in 2019

To all Our valued Customers & Members,

Happy New Year!

I would like to take this opportunity to explain a few changes we are bringing forth for 2019. We are focused on providing the best service and value to all. We can achieve this through improved efficiencies, improving relationships with key suppliers, and enhancing our service levels.

Energy Division now offering Maximum price deals where you can lock in today's low price for up to the whole year. It is available for gasoline, dyed and clear diesel, and furnace oil. Contact our office for more detail at 705-324-2242.

Agronomy Division is booking application and spraying services early. If you have a need contact Ryan Feasby at rfeasby@sunderlandco-op.on.ca or call 705-341-7142.

Finance is reaching out to all past due accounts, in order to make arrangements to tidy up outstanding accounts. We have a fulltime representative to discuss with each customer individually and offer assistance going forward. We have financing solutions that can meet anyone's needs. We want to work with everyone, if you are behind, and haven't been contacted yet, feel free to call us at your convenience. Please contact Lee Lucas for more information at llucas@sunderlandco-op.on.ca or call 705-357-3491.

Did you know that Sunderland Co-op now offers paperless billing?

Access all of your invoices and statements through our online portal or have them emailed directly to your inbox. Enjoy the security and convenience of free paperless billing today. Contact the Head Office for more details.

Sincerely,

S. Jake Vancuren, EMBA
GM
