COVID-19 SERVICE ANNOUNCEMENT UPDATE

As essential service providers within the region, we recognize the importance of keeping service levels high. We continue to monitor the rapidly evolving situation with COVID-19 and recognize the need to modify how we operate to mitigate risk to our employees and the public.

We are currently open for business; however, some immediate changes include:

- Our **Energy Division** at 36 Harvest Street, Lindsay is now closed to the public, but is open for business via phone or email.
1-800-567-2667 or energy@sunderlandco-op.on.ca
- **FEED MILL** – Is curbside or delivery service only. Please do not enter the mill, contact your representative or call the Sunderland Office. We are practicing social distancing for the safety of all.

Curbside Pick-Up at retail locations:

Customers who do not wish to exit their vehicles, may call or email any of our retail locations to place an order in advance. We will then bring the order to either our front doors or loading docks, where our staff or the customer can then load the vehicle.

- **Local Delivery:**
As always, we are offering our large order delivery service to local customers, for feed, seed and fertilizer products. Orders must be placed in advance over the phone or by email at any of our locations.
- **AS OF MARCH 25, 2020:**
All retail store locations will be reduced to curbside/window service as we practice social distancing.

If you have any questions, feel free to call or email any of our offices at your convenience.

Regards,
Management
